AMEND Senate Bill No. 2300

House Bill No. 2318*

by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION ____ Tennessee Code Annotated, Section 68-120-101(b)(4), is amended by adding the following language as a new subdivision (C):

(C) Notwithstanding the provisions of this subdivision (4) or any other provision of this section to the contrary, the provisions of this section requiring the adoption of a specific building code or fire code shall not apply in any county having a population having a population of not less than one hundred fifty-three thousand (153,000) nor more than one hundred fifty-three thousand one hundred (153,100) according to the 2000 federal census or any subsequent federal census in such county if the county legislative body of such county has adopted a building construction safety code or fire code that in the opinion of the county legislative body addresses the building construction safety and fire safety of the construction occurring within such county.
